Welcome or welcome back! We believe you'll find your Grantham Garden Club (GGC) membership a fun and rewarding experience. Not only will you enjoy new friendships, you'll expand your gardening knowledge through a variety of inspiring and fun programs. Started in 1999, the Club has been very proud of its work promoting future generations' interest in environmental stewardship by providing educational scholarships and community grants. Additionally, members are active in beautifying Grantham through our Civic Garden projects, organizing an annual Town Wide Cleanup Day, conducting fundraisers, and enjoying social events with fellow members.

Volunteers are a critical component of The GGC. We strongly encourage all Club members to serve on a committee or assist in one or more of the Club's activities offered throughout the year. Not only are you providing vital support to the organization, it is a great way to get to know your fellow members.

Please check all areas below that you may be interested in. A brief description of each volunteer category can be found at granthamgardenclub.org (click on the "More" tab). (If this is a household membership, be sure to indicate each person's interests.) **NOTE: Due to COVID-19, activities may be modified, postponed or cancelled.**
