

FIELD TRIP FOR GGC MEMBERS & THEIR GUESTS

“A Walk in the Garden” Marsh-Billings-Rockefeller National Historical Park Friday, June 12th, 2026

Join us for a ranger-guided tour of the Marsh-Billings-Rockefeller formal gardens. The tour highlights the evolution of these gardens as well as the legacy of land conservation embraced by the owners.

At the Carriage Barn Visitor Center, we will explore the exhibit *A Place in the Land*. For those who are interested, there is a wonderful gift shop located in the Carriage Barn.

Appropriate shoes for walking outside are recommended. After the tour, join us for lunch at the Snack Bar at the Gorge.

Please sign up soon, as there is a maximum number of spots and this is sure to be a popular field trip!

The deadline for registration is Sunday, June 7th. Make your check payable to the Grantham Garden Club and either mail it in prior to this activity or bring it with you on the day of the field trip.
