GARDEN CLUB FIELD TRIP—MEMBERS & GUESTS

Wadsworth Atheneum Museum of Art

52nd Annual Festival of Trees & Traditions

Join the Grantham Garden Club and Eastman Recreation for a festive and fun trip! The historic Wadsworth is a beautiful setting for the stunning collection of spectacular trees, each featuring its own unique theme of exquisite ornaments. Bring your family and friends to experience the magic that happens when community members, artists, and local organization volunteers donate trees and holiday décor to turn the art galleries into a winter wonderland. Our visit, a joint-venture with Eastman Recreation, includes transportation and an hour-long guided tour, as well as time to explore the museum on your own, and enjoy lunch at the museum's *BMuse Café*.
