

# 2023 Scholarship Application Information

Applications for financial scholarships are now being accepted by the Grantham Garden Club for New Hampshire residents preparing for a career in horticulture, landscaping, forestry, agriculture, plant sciences, or environmental sciences at a post-secondary institution.

**This year the club will award up to \$4,000 to eligible applicants.** The total amount may be awarded to one applicant or distributed among multiple, qualified applicants. Factors that may affect the decision include the number of applications received and the merit of the applicants in a particular year.

Individuals must be enrolled or about to enroll part-time or full-time in an accredited college, community college, or technical school in one of the stated fields. Preference is given to applicants with clear career goals and past experience (volunteer or paid) in their chosen field.

***APPLICATION DEADLINE: SATURDAY, APRIL 15, 2023***
